

EPA Media Release

No smoke advisory issued for Hazelwood open cut mine fire

0900 Saturday 15 March 2014

No smoke advisory will be issued for today (Saturday) for the Latrobe Valley. Brief periods of significant smoke impacts are likely in Morwell South and Morwell East on Saturday morning before 11am and again just before midnight on Saturday night. Brief periods of significant smoke in Churchill are likely on Saturday afternoon.

Moe and Traralgon are unlikely to be significantly affected over the next 24 hours.
