

Donald Campbell

CURRICULUM VITAE

CONTACT DETAILS:

Address: 28 Chaucer Crescent
Canterbury Victoria 3126

Mobile: 0438 836 327

Email: donald.campbell@monash.edu

EDUCATIONAL QUALIFICATIONS:

TERTIARY EDUCATION

1973- 1978 **Medicine**
Monash University

QUALIFICATIONS

- MBBS (Hons) Monash University 1978
- MD Monash University 1991
Thesis: Immunohistological analysis of interstitial lung disease
- M Med Sci (Clinical Epidemiology)
University of Newcastle 1998
Thesis: South Australian Asthma Case-Control Study 1992-1994
- FRACP 1985
Royal Australasian College of Physicians

UNDERGRADUATE HONOURS

- MBBS Honours Class II
High Distinction:
 - Anatomy

POST GRADUATE HONOURS

- M Med Sci (Clinical Epidemiology)
- High Distinction:
 - Clinical Epidemiology
 - Biostatistics
 - Health Social Sciences
 - Research Protocol
- Distinction:
 - Health Economics
 - Epidemiology

EMPLOYMENT HISTORY:**CURRENT APPOINTMENT**

June 2007
Professor of Medicine
Department of Medicine
Southern Clinical School
Monash University

June 2012
**Director General Medicine Program
Monash (Southern) Health**

PREVIOUS POSITIONS HELD

June 2007 February 2012
Head of General Medicine
Southern Health

July 2003 June 2007
Director
Monash Institute of Health Services Research

Professor
Health Services Research
Monash University

Head of General Medicine
General Medicine Unit
Monash Medical Centre

July 2003 September 2006
Director
Centre for Clinical Effectiveness
Southern Health

1998 - 2003
Head
Clinical Epidemiology and Health Service Evaluation Unit
Royal Melbourne Hospital

Associate Professor (Clinical Epidemiology)
School of Public Health and Department of Medicine
University of Melbourne

Head
General Medical Unit 2
Royal Melbourne Hospital

Senior Consultant Physician
Department of Respiratory Medicine
Royal Melbourne Hospital

1995 - 1998
Senior Specialist Physician
Department of Respiratory Medicine
Austin & Repatriation Medical Centre

EMPLOYMENT HISTORY:

- 1997 - 1998**
Director
Victorian Respiratory Support Service
Department of Respiratory Medicine
Austin & Repatriation Medical Centre
- Senior Associate**
University of Melbourne
- 1989 - 1995**
Senior Consultant Physician
Thoracic Medicine Unit
The Queen Elizabeth Hospital
- 1986 (August) - 1989**
Staff Specialist
Thoracic Medicine Unit
The Queen Elizabeth Hospital
- 1986 - 1990**
Clinical Lecturer
University of Adelaide
- 1990 - 1995**
Clinical Senior Lecturer
University of Adelaide
- 1986 (January - July)**
Assistant Physician in General Medicine
Prince Henry's Hospital, Melbourne
- Junior Fellow in Respiratory Medicine**
Prince Henry's Hospital, Melbourne
- Research Fellow**
Monash University Department of Medicine
Prince Henry's Hospital, Melbourne
- 1984 - 1986**
Clinical Research Fellow
Department of Thoracic Medicine
Royal Free Hospital, London, United Kingdom
- 1983**
Senior Medical Registrar
Monash University Department of Medicine,
Prince Henry's Hospital
- 1982**
Respiratory Registrar
Prince Henry's Hospital
- 1981**
Senior Resident Medical Officer
Prince Henry's Hospital
- 1980**
Junior Resident Medical Officer
Prince Henry's Hospital
- 1979**
Intern
Prince Henry's Hospital

RESEARCH GRANTS:

National Health & Medical Research Council

- 1990 - 1992** South Australian Asthma Mortality Study (with Dr D Roder, Director, Epidemiology Branch, South Australian Health Commission, Dr P Yellowlees, South Australian Mental Health Service, & Dr R Ruffin, Director, Thoracic Medicine Unit, TQEH)
- 1998 - 1999** Best practice for Chronic Obstructive Airways Disease (NHMRC Evidence-based Clinical Best Practice Grant)
- 2001 - 2002** Vaccine effectiveness in community-acquired pneumonia (Associate Investigator, Principal Investigators: Dr S Skull and Dr R Andrew)
- 2003-2005** Centre of Research Excellence in Infectious Diseases (PI, with Professor Graham Brown, Chief Investigator)
- 2004-2007** Centre of Research Excellence in Patient Safety (PI, with Professor John McNeill, Chief Investigator)
- 2007-2011** Using data to improve the quality of health care. (Cameron P, D Campbell, J Stoelwinder, J McNeil, D Jolley.)

Australian Research Council

- 2014 – 2017 ARC Linkage with Uni of Melbourne Department of Mathematics
LP140100152 – Modelling of Healthcare Systems
- 2004-2007** Modelling patient flows through hospitals: optimising effective use of resources (P Taylor, D Campbell, G Byrnes. , University of Melbourne).

US National Parkinson Foundation

- 2007-2009** Clinical & economic measures to evaluate disease status & progression in Parkinson disease. (Morris M, Iansek R, Jolley D, Watts J, Campbell D. Southern Health.)

National Heart Foundation of Australia

- 2006-2007** National vascular disease prevention alliance development of evidence-based practice guidelines for assessment of cardiovascular absolute risk for consideration by the NHMRC Health Advisory Committee. (Green S, Jolley D, Harris C, Campbell D, Misso ML.)

Monash University, Victoria

- 2008** Faculty Strategic Grant. Acute Myocardial infarction: investigating evidence-based practice to address rural disadvantage (Humphreys J, Campbell DA, Kinsman L).

Department of Human Services, Victoria

- 1998 - 1999** Hospital in the Home Costing Study Department of Human Services, Victoria
Hospital in the Home Sustainability Study Department of Human Services, Victoria
Disease Management Model for Asthma
- 1990 - 2000** Medical Inpatient Study
Short Stay and Observation Unit Study

Victorian Managed Insurance Authority (Department of Treasury and Finance)

RESEARCH GRANTS:

2002-2003 Review of Health Status of former SECV workers who participated in the Lung Function Program.

Public Health Research & Development Council

1993 Asthma over-the-counter medication purchase behaviour (With Dr R Ruffin, Director, Thoracic Medicine Unit, TQEH, and Dr D Wilson, Behavioural Epidemiology Unit, Epidemiology Branch, South Australian Health Commission)

Commonwealth Department of Health (PHARM)

1993 Knowing what needs to be known; a consumer asthma medication study (conducted in collaboration with Dr R Ruffin, Director, Thoracic Medicine Unit, TQEH, and Dr J Cheek, Department of Nursing, University of South Australia)

University of Adelaide Faculty of Medicine Research Fund

1990 - 1992 South Australian Asthma Mortality Study

1992 - 1994 South Australian Asthma Case Control Study

RESEARCH GRANTS:

Asthma Foundation of South Australia

- 1988 - 1989** South Australian Asthma Mortality Study
- 1991** Asthma Management Plan (conducted in collaboration with Dr R Ruffin, Director, Thoracic Medicine Unit, TQEH)
- 1992** South Australian Asthma Case Control Study

Pharmaceutical Company Support

- 1990** Salbutamol Generic Study - Alphapharm
(with Dr R Ruffin, Director, Thoracic Medicine Unit, TQEH)
- Salmeterol Study - Allen & Hanburys
(with Dr R Ruffin, Director, Thoracic Medicine Unit, TQEH)
- 1990 - 1992** South Australian Asthma Mortality Study - Boeringer Ingelheim, Fisons, Glaxo Australia, Astra Pharmaceuticals
- 1991** Atrovent Study - Boeringer Ingelheim
(with Dr R Ruffin, Director, Thoracic Medicine Unit, TQEH)
- 1993 - 1994** South Australian Asthma Case Control Study - Glaxo Australia
- 1997** Montelukast study- Merck, Sharp and Dohme
(with Prof R Pierce, Dep't of Respiratory Medicine, Austin & Repatriation Medical Centre)

General Practice Program Grant

- 1996 - 1997** Asthma Shared Care Project - with North-East Valley Division of General Practice at Austin campus, A&RMC, Heidelberg, Melbourne

Health Information 2000 (South Australian Health Commission)

- 1994 - 1999** Quickstrike Project - Western Region Asthma Pilot Project
(with Dr R Ruffin and Dr R Adams, Thoracic Medicine Unit, The Queen Elizabeth Hospital)

PROFESSIONAL SOCIETY MEMBERSHIP:

- 1984 - 1986** British Thoracic Society
- 1986 - present** Thoracic Society of Australia & New Zealand
- 1988 - 2000** Australian Sleep Association

1990 - 2000	American Sleep Disorders Association
1993 - 1995	Health Informatics Society of Australia
1995 - 2000	American Thoracic Society European Respiratory Society
1998 -present	Internal Medicine Society Australia & New Zealand
2003-2007	Health Services Research Association of Australia and NZ (corporate member)

COMMITTEE MEMBERSHIPS:

Department of Human Services, Victoria

1997 - 1999	Ministerial Asthma Working Party
1998 - 2001	Regional Asthma Planning Project Advisory Committee, Chair and Project Director
1999	Review of Cystic Fibrosis Services
1999 - 2001	Clinical Indicators Steering Committee
1999 - 2002	Clinicians Health Channel Advisory Committee
2000 - 2001	Breakthrough Collaborative Organizing Committee
2000 - 2002	Chair, Local Asthma Planning Project, Asthma Victoria (for DHS Victoria)
2001	Emergency Department Clinical Pathways Advisory Committee Short Stay Unit Impact Analysis Advisory Committee
2002	Member, Acute to Subacute Breakthrough Collaborative Reference Group Member, Blood Matters Steering Committee (Breakthrough Collaborative on safe and effective use of blood products), with Peter MacCallum Institute and Royal Melbourne Health Latrobe Valley Asbestos Study Advisory Committee (Public Health Division) Hospital Admission Risk Program (HARP) Steering Committee HARP Evaluation Subcommittee
2003-2004	Chair, Chronic Disease Management Subcommittee, HARP Steering Committee
2005-2007	Member, Victorian Policy Advisory Committee on Clinical Practice and Technology
2007	Chair, Committee to Review Victorian Respiratory Support Service
2008	Member, Surgical Outcomes Information Initiative Reference Committee, Victorian Surgical Consultative Council Member, Aged Care Subcommittee, Emergency Access Reference Group Member, Reference Group, Patient Flow Review, Victorian Auditor General's Office.
2010-11	Member, Aged Care Subcommittee, Emergency Access Subcommittee, Department of Health, Victoria.
2011	Member, Medical Inpatient Advisory Committee, Department of Health, Victoria.
2012	Member, Clinical Leadership Group on care of older people in hospital Member, Residential Inreach Medical Leads Committee

COMMITTEE MEMBERSHIPS:

Department of Health and Aging, Commonwealth Government of Australia

- 2001 – 2002** Member, Evaluation Subcommittee, National Asthma Reference Group
2002-2005 Member, Asthma Monitoring Advisory Committee
2004-2005 Member, National Service Improvement Framework Asthma Reference Group

Health Insurance Commission, Commonwealth Government of Australia

- 1999–2000** Member, Advisory Group on Asthma

Department of Education, Science and Training, Commonwealth Government of Australia

- 2007** Member, Assessment Panel, Research Quality Framework.

National Cancer Control Initiative

- 2001 – 2002** Chair, Lung Cancer Screening Reference Group

Melbourne Health

- 1998 - 2002** Member, Education and Standards Subcommittee, Section of Physicians, RMH
1998 - 2003 Member, Board Quality Committee, RMH
2002 Member, Clinical Risk Committee, RMH
Member, Occupational Health and Safety Committee, RMH

Southern Health

- 2004-2006** Member, Senior Operations Group
Member, Clinical Research Reference Committee
2004-2007 Member, Medical and Surgical Advisory Committee
2004-2009 Member, Board Quality Committee, Southern Health
2006-2007 Member, Research Advisory Committee, Southern Health
Member, Medical Executive Committee, Southern Health
Member, Southern Melbourne Integrated Cancer Service, Research Committee
2007 Member, Senior Leadership Group
2011 Member, E-Handover Working Party
Clinical Lead, Safe and Timely Care Project (4 hour target implementation)
Chair, Senior Medical Staff Association
Member, Medical Executive
2012 Member of Patient First Transformation Committee Executive (and precursors)
2012-present Member, Medical Executive Committee

COMMITTEE MEMBERSHIPS:

Deputy Chair, General Medicine Program Quality Committee

2013

Member, Monash Sector Executive

Member, South East sector Executive

Member, Research Week Organising Committee

COMMITTEE MEMBERSHIPS:

Monash University

2003-2004	Member, Clinical Research Governance Committee
2003-2005	Chair, Monash Health Research Precinct Management Committee
2003-present	Co-Chair, Theme 2 Undergraduate Curriculum Committee (Population Health, Society and Illness)
2003-present	Member, Medical Curriculum Management Committee
2004-2007	Member, Southern Clinical School Executive
2004-present	Member, Faculty Board
2005-2007	Deputy Head, School of Applied Clinical And Public Health Science

Monash Partners

2013-present	Discipline Convenor, Discipline of Healthcare Innovation by Design
2013	Workshop: Healthcare Innovation by Design March 2013 Harold Nelson (Carnegie Mellon University)
2013	Workshop: Strategy shaping session (Dr Melis Senova, Huddle) Research fellow appointment (Honorary) (Dr Melis Senova) Design Workshops implemented and supported Refugee Health Mental Health
Planned	End of life Last 18 months of life

University of Melbourne

2001 - 2002	Co-Chair, EBM Working Party, School of Population Health
2001 - 2002	Member, Semester 8 to 12 Working Party, School of Population Health

Health Insurance Commission

1999 - 2000	Clinical Advisory Group on Asthma
--------------------	-----------------------------------

Australian Lung Foundation

1999 - 2000	Asthma Consultative group
2000 - 2001	COPD Clinical Practice Guideline Working Party

COMMITTEE MEMBERSHIPS:

Austin & Repatriation Medical Centre

- 1997** Member, Resuscitation Sub-Committee
- 1997** Member, Steering Committee to oversee Report into the provision of services for persons with chronic ventilatory failure in Victoria.
- 2002** Member Hospital appointments Committee (RACP representative)

The Queen Elizabeth Hospital

- 1987 - 1990** Member, Physicians Workshop Sub-Committee, Division of Medicine
- 1987 - 1989** Member, Infectious Diseases Sub-Committee
- 1988 - 1993** Member, The Queen Elizabeth Hospital Research Foundation Executive, representing Medical Staff Society, Queen Elizabeth Hospital
- 1993 - 1995** Member, Library Committee
- 1993 - 1995** Member, Private Practice Working Party
- 1992 - 1995** Member, Executive of the Division of Medicine
- 1992 - 1995** Member, Executive of Scheme A Private Practice Fund, Queen Elizabeth Hospital

Thoracic Society of Australia & New Zealand

- 1987 - 1990** Secretary, Thoracic Society of Australia & New Zealand, SA Branch
- 1989 - 1990** Assistant Honorary Secretary, Federal Executive,
- 1987 - 1990** Member, Working Party on Smoking & Health
- 1990** Member, Program Sub-Committee for Annual Scientific Meeting
- 1993 - 1995** Member, Clinical Care and Resources Sub-Committee
- 1996 - 2000** Chair, Clinical Care & Resources Sub-Committee
- 1993 - 1995** Member, Executive, SA Branch
- 1988 & 1992** Member, Working Party preparing Position Paper on Lung Transplantation
- 1993 - 1995** Member, Program Sub-Committee for 1995 Biennial Advanced Course in Thoracic Medicine (Sleep Disorders Medicine) Adelaide

Internal Medicine Society of Australia & New Zealand

- 2008-present** Member, Council
- 2008-** Member, Research Working Party
- 2010-present** Vice President, President Elect
- 2011** Chair, Annual Scientific Meeting Organising Committee
- 2012-2013** Member, Annual Scientific Meeting Organising Committee
- 2014-2016** President

COMMITTEE MEMBERSHIPS:

Royal Australasian College of Physicians

- 1990 - 1995** Member, RACP Working Party on Smoking and Health
- 1992** Member, SA Branch State Committee, RACP
- 1994 - 1995** Member, SA Branch State Committee, RACP
- 1992** Member, Program Sub-Committee for Annual Scientific Meeting, RACP
- 2008** Member, Working Party, Advanced Training in General Medicine, Vic Branch State Committee
- 2010-11** Member, Expert Advisory Group, Medical Workforce, RACP.
- 2012-13** Member, SAC, General and Acute Medicine (proxy for NZ President IMSANZ).

Others

- 1992 - 1995** Member of the Hospitals Asthma Working Party (latterly renamed as the South Australian Asthma Reference Panel) of Foundation South Australia, chaired by Associate Prof J Alpers, Respiratory Unit, Flinders Medical Centre
- 1986 - 1995** St John's Ambulance Brigade, Port Adelaide Branch, (Divisional Surgeon)
- 1987 - 1991** Member, Medical Advisory Committee, Asthma Foundation of South Australia
- 1989 - 1995** Member, Advisory Committee, South Australian Smoking and Health Project, Foundation SA
- 1996** Member, Education Subcommittee, Ministerial Asthma Working Party, Victoria
- 1995 - 1996** Member, Victorian State Committee, Australian Lung Foundation
- 1995 - 1996** Member, Education Subcommittee, Australian Lung Foundation
- 1997** Member of Steering Committee CPAP Pilot Project of the Department of Health and Community Services, Victoria (Acute Health Services Division)
- 2001** Member, Mid-term Review Committee, Clinical Support Systems Project DHAC Sydney 2 July 2001
- 2001** Member, mid term Review Committee, Stage 1 Review: Asthma CRC Sydney, 8 August 2001
- 2004** Chair, Five Year Review Committee, Asthma CRC April 2004
- 2004** Research Committee, National Prescriber Service
- 2007** Research Advisory Committee, Orygen Research Centre
- 2006-2007** Research Committee, Turning Point Drug and Alcohol Centre

International

- 2006** Member, Program Committee, First International Conference on Health and Social Care Modelling, organised by Nosokinetics Group. Adelaide April, 2006.
- 2008** Member, Program Committee, Second International Conference On Health and Social Care Modelling and Applications, organised by Nosokinetics Group. Portrush, Northern Ireland, March 2007.

Board Membership

- 1997 - present** Medical Vice-President, Asthma Foundation of Victoria

COMMITTEE MEMBERSHIPS:

2006-2007 Board member, Victorian Public Health Research and Education Council

2008-present Member, Research Advisory Board, Orygen Youth Research Centre, Parkville, Victoria.

AMA (Victorian Branch)

2011 – 2012 Deputy Chair, Committee of Chairs of SMSA

HONORARY REFEREE POSITIONS:

National Health & Medical Research Council

- 1992 - 1993** Independent assessor of project grants
1995 - 1996 Independent assessor of project grants
1999 - present Independent assessor of project grants

New Zealand Medical Research Council

- 1994 - 1997** Independent assessor of project grants
1999 - 2003t Independent assessor of project grants

Asthma Foundation of New South Wales

- 1992 - 1996** Independent assessor of project grants
1999 - 2003 Independent assessor of project grants

Asthma Foundation of Western Australia

- 2000** Independent assessor of project grants

Alfred Hospital Research Foundation

- 1997** Independent assessor of project grants

Veterans Affairs Medical Research Council

- 1996** Independent assessor of project grants

HONORARY REVIEWER POSITIONS:

- 1995 - present** Australian and New Zealand Journal of Medicine/ Internal Medicine Journal
1996 - present Medical Journal of Australia
2007-present Australian Health Review

PUBLICATIONS:

Papers submitted

- 147 What's happening on our hospitals. Campbell D. (The Conversation)

Papers in Preparation

- 148 Design- does it offer health a way forward. Campbell D. MJA invited article.

PRESENTATIONS AND ABSTRACTS:

- 1 Immunohistological analysis of lung tissue in cryptogenic fibrosing alveolitis.
Third International Colloquium on pulmonary fibrosis Hospital Laennec, Paris, France, 13 October, 1984.
British Society for Immunology Autumn Meeting, London, UK, 7 November, 1984.
British Thoracic Society Winter Meeting, London, 7 December 1984.
- 2 Macrophage-like cells in bronchoalveolar lavage from patients with interstitial lung disease express abnormal phenotype.
British Society for Immunology Spring Meeting, London, 12 April, 1985.
British Thoracic Society Summer Meeting, London, 4 July, 1985.
- 3 Immunocompetent cells in bronchoalveolar lavage reflect the cell populations in transbronchial lung biopsies in pulmonary sarcoidosis.
British Thoracic Society Summer Meeting, London, 4 July 1985.
- 4 Evaluation of clinical efficacy and safety of Ciprofloxacin in the treatment of respiratory tract infections.
14th International Congress of Chemotherapy, Kyoto, Japan, 29 June 1985.
- 5 The density of HLA-DR antigen expression on alveolar macrophages obtained by BAL in pulmonary sarcoidosis.
British Thoracic Society Winter Meeting London 11 December 1985.
- 6 The density of HLA-DR antigen expression on alveolar macrophages is increased in pulmonary sarcoidosis.
Medical Research Society Meeting London, 12 December 1985.
Thoracic Society of Australia Annual Scientific Meeting Melbourne 4 May 1986.
- 7 An immunoenzymatic method utilising scanning and integrating microdensitometry demonstrates that the density of HLA-DR antigen expression on alveolar macrophages is increased in pulmonary sarcoidosis Royal Microscopical Society Annual Meeting London, 12 January, 1986.
- 8 HLA-DR antigen expression: evaluating its role in the induction of immune responses in pulmonary sarcoidosis **Campbell DA**, Butcher RG, Du Bois RM, Poulter LW. Australian and New Zealand Journal of Medicine 1986;16: 634.
- 9 Physician experience with thoracoscopy **Campbell DA**, Leckie WJH. Australian and New Zealand Journal of Medicine 1989: 19: A644.

Thoracic Society of Australia & New Zealand Annual Scientific Meeting Read Health Care Australia, Sydney, New South Wales, 1997 page 231.
- 39 The development of an adult asthma severity scale using item response theory. **Campbell DA**, Rosier MJ, Ruffin RE, Luke CG, Roder DM, Gluyas PA. Am J Resp & Crit Care Med 1997; 155: A284.
- 40 South Australian asthma case-control study. **Campbell DA**, Luke CG, Roder DM, Ruffin RE, Rosier MJ, Gluyas PM, Martin MJ, Latimer KM, Coates J, Yellowlees PM, McLennan G, Pierce NE, Frith P. Am J Resp & Crit Care Med 1997; 155: A286.
- 41 Problems and some solutions in adapting clinical practice guidelines for asthma patient management into a computerised management system. Adams R, Ruffin RE, Smith B, **Campbell DA**, Dippy S. Proceedings: Asian-Pacific Association for Medical Informatics-Health Informatics Society of Australia 97 Joint Conference Sydney 1997.
- 42 Development of a computerised data system for asthma management. Adams R, Ruffin RE, Smith B, **Campbell DA**, Dippy S. Am J Respir Crit Care Med 1997;155:A459.
- 43 Survey of Victorian Sleep Laboratories: Equipment, Staging and Scoring Criteria. Manser R, Rochford P, Roebuck T, Pierce R, Naughton M, Campbell D. Respirology 2000; 5 (suppl) A68.
- 44 Outcomes of the Victorian CPAP pilot program patient focus groups. Manser R, Teichtahl H, Ho M, Sasse A, Cherry G, Copland J, Campbell D. Respirology 2000; 5 (suppl) A68
- 45 Retrospective Review of CPAP Services at 5 Different Centres. Manser R, Hurlbut D, Campbell D. (Presented at the Australasian Sleep Association Annual Scientific Meeting, April 2000).
- 46 Impact of different criteria for defining hypopnoeas on the Apnoea-Hypopnoea Index. Rochford P, Manser R, Pierce R, Campbell D. (Presented at the Australasian Sleep Technologist Association Annual Meeting, April 2000).
- 47 Utilising pharmacists as detailers to improve acute inpatient management of asthma. Dartnell JGA, **Campbell DA**, Nosworthy JC, Robertson MB, Byrnes G, Lazarus M, Jones N, Henderson G. Association of Hospital Pharmacists Annual Meeting, November 2000.
- 48 Combining Disease Management and Due Improves Acute Management of COPD. Dartnell JGA, **Campbell DA**, Nosworthy JC, Robertson MB, Byrnes G, Greenberg P, Jones NR. ASCEPT 2000.

PRESENTATIONS AND ABSTRACTS:

- 49 Developing Evidence-based Clinical Practice Guidelines in Asthma and Chronic Obstructive Pulmonary Disease at Royal Melbourne Hospital. Nosworthy JC, **Campbell DA**, Byrnes G, Dartnell JGA, Robertson MB, Pain M, Greenberg P, Cameron P, and the members of the Clinical Practice Guidelines working parties. RMH Research Week Proceedings, June 2000.
- 50 Use of clinical audit in developing clinical practice guidelines for COPD. Dartnell JGA, Nosworthy JC, **Campbell DA**, Byrnes G, Robertson MB, Pain M, Greenberg P, Cameron P and the members of the Clinical Practice Guidelines working parties and audit teams. RMH Research Week Proceedings, June 2000.
- 51 Implementing Evidence-based Clinical Practice Guidelines in Asthma and Chronic Obstructive Pulmonary Disease at Royal Melbourne Hospital. Nosworthy JC, **Campbell DA**, Dartnell JGA, Robertson MB, Pain M, Greenberg P, Cameron P. RMH Research Week Proceedings, June 2000
- 52 Use of clinical audit in developing clinical practice guidelines for asthma. Dartnell JGA, Nosworthy JC, **Campbell DA**, Byrnes G, Robertson MB, Pain M, Greenberg P, Cameron P and the members of the Clinical Practice Guidelines working parties and audit teams. RMH Research Week Proceedings, June 2000.
- 53 Australian transport drivers are a high risk group for sleep disordered breathing. Howard M, Worsnop C, Campbell D, Swann P, & Pierce R. *Am J Respir Crit Care Med*, 2000;161 (3 abstracts).
- 54 Transport drivers are sleepier than working adults and their vehicle accidents are related to duration of sleep and work. Howard M, Worsnop C, Campbell D, Swann P, & Pierce R. *Respirology* 2000; 5 (Suppl), A65.
- 55 Obstructive sleep apnoea and excessive sleepiness in Australian road transport drivers. Howard M, Worsnop C, Campbell D, Swann P, Pierce R. Presented at Fourth International Conference on Fatigue and Transportation, Fremantle WA, Submitted to *Transportation Research (2000)*.
- 56 Disease management Program for asthma and COPD. **Campbell DA**, Greenberg P, Nosworthy J. 12th Casemix Conference Australia Cairns, August 27 and 28 2000.
- 57 Medical inpatient study. **Campbell DA**, Greenberg P, Nosworthy J. 12th Casemix Conference Australia Cairns, August 27 and 28 2000.
- 58 Successful collaborative planning, strategic service planning and evaluating health outcomes. **Campbell DA**, Nosworthy J. VHA Conference: Integrated service planning to meet community need Melbourne, 18 August 2000.
- 59 Manser R, Teichtahl H, Ho M, Sasse A, Cherry G, Copland J *et al*. Outcomes of the Victorian CPAP Pilot program patient focus groups. *Respirology* 2000; 5: A68.
- 60 **Campbell DA**, Nosworthy J. Outcomes from the Medical In-patient Study: Results from a one-day census conducted at 5 Melbourne teaching hospitals Health Outcomes Conference Canberra 27 June 2001.

INVITED LECTURES AND PRESENTATIONS:

- 1 South Australian Asthma Mortality Survey. Presentation. Second National Asthma Epidemiology Workshop. McLaren Vale, South Australia, 1991.
- 2 Near-fatal Asthma in South Australia. Presentation, National Asthma Workshop, Melbourne, Victoria, November 1993.
- 3 Respiratory problems in post polio syndrome. Presentation, First Australian National Conference on Post-Polio. Adelaide, South Australia, November, 1992.
- 4 Respiratory problems in post polio syndrome. Presentation, New Zealand Conference on Post-Polio Syndrome. Auckland, New Zealand, 25 November 1994.
- 5 The South Australian Asthma Mortality Study. Presentation, Grand Round, Flinders Medical Centre, March 1994.
- 6 The South Australian Asthma Mortality Study. Presentation, Physicians Workshop, The Queen Elizabeth Hospital, November 1993.
- 7 The South Australian Asthma Mortality Study. Presentation, Weekly Scientific Meeting, Pulmonology Division, University of Iowa Hospital and Medical Centre, Iowa City, USA. May 1994.
- 8 What the Clinician wants from IT. Information technology in Health conference. Sydney, February 1995.
- 9 Asthma deaths: lessons for asthma management. Grand Round, Austin & Repatriation Medical Centre. August 1995.
- 10 South Australian Asthma Mortality Study. Presentation to Asthma Educators Conference. Asthma Foundation of Victoria, May 1995.
- 11 Asthma management for General Practitioners. North-East Valley Division of General Practitioners, Heidelberg Victoria, June 1995.
- 12 Asthma Mortality in South Australia. Respiratory Grand Round. Alfred Hospital, Melbourne. June 1995.
- 13 New anti-asthma drugs: better or not? Update in General Medicine for General Practitioners. Austin & Repatriation Medical Centre, Melbourne. October 1995.
- 14 Chairman: Asthma mortality session. National Asthma Workshop. Alfred Hospital, Melbourne. October 1995.
- 15 Chronic ventilation services in Victoria. Respiratory Department Meeting, Royal Melbourne Hospital. November 1995.
- 16 South Australian asthma case-control study. Respiratory Grand Round, Western Hospital, Melbourne. February 1996.
- 17 Asthma: an overview. Asthma educators conference, Asthma Foundation of Victoria. February 1996.
- 18 Respiratory manifestations of ANCA Diseases. Second national ANCA conference, Melbourne. April 1996.
- 19 Home ventilation in Victoria: from Fairfield to home. Grand Round Western Hospital, Melbourne. June 1996.
- 20 Victorian Respiratory Support Service: the future of home ventilation in Victoria. Grand Round, Austin & Repatriation Medical Centre. July 1996.
- 21 Mortality from chronic obstructive airways disease. Airways 96 Meeting, Noosa, Queensland. August 1996.
- 22 Who gets asthma and who dies from it? Royal Society of Victoria, Melbourne. August 1996. Genetics of asthma: asthma and hay fever- what is the link? Lecture to Northern Division of General Practice, Heidelberg, Melbourne August 1996.

INVITED LECTURES AND PRESENTATIONS:

- 23 Psychosocial factors contributing to asthma mortality. invited presentation, Asthma Mortality 1996. Alfred Hospital, Melbourne in November 1996.
- 24 Psychosocial factors in adherence to asthma medication. invited presentation. National Asthma Campaign Asthma Adherence Workshop. Kilmore, June 1997.
- 25 Chronic ventilation services in Victoria. Respiratory Department Meeting, St Vincent's Hospital. July 1997.
- 26 Update on management of mycobacteria other than tuberculosis. Invited Plenary session presentation. Thoracic Society of Australia & New Zealand Advanced Course in Pulmonary Infections. Melbourne, September 1997.
- 27 Seminar on Home Mechanical Ventilation. Invitation to present seminar at the Annual Scientific Meeting of the Thoracic Society of Australia and New Zealand. Adelaide, March 1998.
- 28 Socio-economic issues in asthma management. National Asthma Campaign workshop on adherence. Melbourne September 2 1999
- 29 Disease Management: implementing a clinical practice guideline for asthma. Department of Human Services Quality improvement seminar. Melbourne September 3 1999
- 30 Real doctors don't need evidence. Grand Round (debate). Royal Melbourne Hospital November 19 1999
- 31 Essential skills for EBM: Workshop for Physiotherapists, Royal Melbourne Hospital, August 22, 24, 29 and September 5 1999
- 32 EBM and searching the Internet. Grand Round. Royal Melbourne Hospital, 26 August 1999
- 33 Lessons learned from a Disease Management Project. International Society of Quality Assurance RMH Workshop. October 12 1999
- 34 Implementing a Disease Management Program. Complex Medical Patients Seminar (Effective Discharge Strategy). Department of Human Services, Melbourne October 27 1999
- 35 Implementing a Disease Management program for COPD in an acute hospital setting. Evidence-based clinical practice research program workshop. Melbourne, 16 December 1999.
- 36 Searching Medline. Seminar at Bendigo Health Care Group, Bendigo, December 7 1999.
- 37 Medical Inpatient Study: presentation to the Patient Management Taskforce. Royal Melbourne, Hospital 23 November 2000
- 38 Disease Management. Presentation to VHA conference: Improving Clinical Practice. Melbourne, 16 November 2000
- 39 Seminar on EBM. Australian College of Dermatology Registrars Conference. St Vincent's Hospital Melbourne, 16 November 2000
- 40 Recent advances in asthma therapy. Society of Hospital Pharmacists, Annual Conference, Melbourne, 11 November 2000
- 41 From ideas to action: practical tips for making improvements. Breakthrough Collaborative, Planning day, Melbourne 18 October 2000
- 42 Disease management; principles and practice. VCACI Conference: Emerging trends in acute home care and disease management in Australia. Melbourne, 12 October 2000
- 43 EBM Seminar. Internal Medicine Society of Australia and New Zealand, Sunshine Coast, Queensland, 29 September 2000
- 44 Asthma Clinical Skills Workshop for General Practitioners. MURMA, Royal Melbourne Hospital, October 3 2000
- 45 Evidence-based Medicine Grand Round. Peter MacCallum Cancer Institute, Melbourne, September 25 2000.

INVITED LECTURES AND PRESENTATIONS:

- 46 Successful collaborative planning, strategic service planning and evaluating health outcomes. VHAS Conference: Integrated Service Planning to meet community need. Melbourne, 18 August 2000
- 47 Translating theory into practice: lessons from an integrated disease management for asthma project. Socioeconomic issues in asthma management. Australian Asthma Conference, Melbourne 26 July 2000.
- 48 Intervention strategies: Cefotaxime and Ceftriaxone prescribing intervention workshop, VDUAC Advisory Committee. Melbourne, August 3 2000
- 49 Principles of Disease Management. Presentation to National Coordinated Care Forum, Melbourne, 18 May 2000
- 50 Implementing a Clinical Practice Guideline for COPD: the lessons learned. Grand Rounds Flinders Medical Centre April 22 2000, Repatriation General Hospital, Daw Park, South Australia. April 23 2000
- 51 Information management to inform best practice. Grand Round, Institute for Public Health, Monash University. 14 April 2000.
- 52 Modelling patient flow through RMH. Melbourne Health Executive. 23 January 2001.
- 53 Teaching Evidence-based Medicine at RMH. Surgical Forum, RMH. 17 February 2001.
- 54 Demonstrating Improvement through measurement. Breakthrough Collaborative Meeting. St Vincent's Hospital 2 March 2001.
- 55 Medical Inpatient Study. DHS Advisory Committee on Elective Surgery. 29 March 2001.
- 56 Medical Inpatient Study. Alfred Hospital, Grand Round 23 August 2001.
- 57 Medical Inpatient Study. Alfred Hospital, Clinical Executive 29 June 2001.
- 58 Medical Inpatient Study. ARMC, Grand Round 4 July 2001.
- 59 Medical Inpatient Study. RMH, Grand Round July 2001.
- 60 Patient Flow Modeling. DHS, Victoria, 27 June 2001.
- 61 Patient Flow Modeling, Alfred Hospital, Clinical Executive 30 July 2001.
- 62 Workshop Convenor. Modelling Patient Flow through Acute Hospitals. RMH. 12 February 2001.
- 63 Critical Appraisal and searching MEDLINE . Australian Physiotherapy Association Annual Meeting (Victorian Branch). 29 April 2001.
- 64 Medical Inpatient Study. RACP Adult Division Seminar: The Future of Adult General Medicine, Sydney March 20, 2003.
- 65 Why Do Clinical Research? RMH Research Week, June 4, 2003.
- 66 Pain- the 5th Vital sign: review of acute pain management in Victoria. Victorian Quality Council meeting on Acute Pain Service provision in Victoria. Melbourne, February 26, 2003.
- 67 **Campbell D.** Monitoring quality and supporting clinical effectiveness using evidence based clinical practice guidelines. Centre for Research Excellence in Patient Safety: Monitoring Quality of Care in Hospitals Seminar. Melbourne, Victoria. April 2006.
- 68 Patient Flow management: a modelling approach integrating flow and capacity parameters in the acute hospital setting. Campbell D, Bain C, First International Health and Social Care Modelling Conference. Adelaide, South Australia. April 2006.
- 69 **Campbell D.** The cumulative effect of CUSUM analysis: Application to patient administrative datasets in two Victorian hospitals. International Conference on Health & Social Care Modelling & Applications. Adelaide, South Australia. April 2006. (Invited keynote presentation).
- 70 **Campbell D.** Approaching epidemiology from an Allied Health perspective. St Vincent's Health Allied Health Research Symposium. Melbourne, Victoria. June 2006.

INVITED LECTURES AND PRESENTATIONS:

- 71 **Campbell D.** Capacity prediction and planning in emergency departments: Trial at The Royal Melbourne Hospital. Optimising Patient Flow Conference. Sydney, New South Wales. June 2006.
- 72 **Campbell D, Ilic D.** Teach the teachers. Monash University. Kuala Lumpur, Malaysia. September 2006.
- 73 **Campbell D.** Health services research – relevance to child health? Centre for Community Child Health, Royal Children’s Hospital. Melbourne, Victoria. October 2006.
- 74 **Campbell D.** Clinical indicators: What are they, who is using them and what is the evidence? RACP/IMSANZ Clinical Indicators Workshop. Sydney, New South Wales. November 2006.
- 75 Case-Control Clinical Audit of in-hospitals mortality. Presentation to Queensland Health. July 2007.
- 76 Application of Operations Research to Inpatient Medical Care: learning from standing on the shoulders of giants. **Campbell D** ,Stockman K, Dickson F,Bain C, Cooper P, Brand C, Au L, Byrnes G, Taylor P. Second International Health and Social Care Modelling Conference. Portrush, Northern Ireland (Invited keynote presentation). March 2008.
- 77 INFORMS 2011
- 78 IFORS 2011

SUBMISSIONS TO GOVERNMENT ENQUIRIES:

- | | |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1990 | Submission to Long Term Ventilator-Dependent Persons Project, SAHC |
| 1992 | Submission to Australian Government Road Trauma Subcommittee |
| 1996 | Submission to Metropolitan Hospitals Planning Review Board, Melbourne Victoria The submission concerned the future provision of services to ventilator-dependent persons in the state of Victoria |
| 2003 | Submission to Investment Review of Health and Medical Research, Australian Government |
| 2004 | Submission to Australian Government regarding Australian Council on Safety and Quality in Health Care |
| 2004 | Submission to NHMRC concerning Enabling Grants for health and medical research |

COURSES ATTENDED:

- 1 Thoracic Society of Australia & New Zealand Advanced Course in Ventilatory Failure, Newcastle, NSW 1987.
- 2 First International Lung Transplantation Conference, Toronto, Canada 1987.
- 3 Thoracic Society of Australia & New Zealand Advanced Course Clinical Problem Solving, Brisbane, Queensland 1989.
- 4 Annual Course in Sleep Medicine, Stanford School of Sleep Medicine, Stanford California, 8 day course, March 1992.
- 5 Management for Clinicians Course, conducted by Royal Australian College of Medical Administrators in conjunction with Kings College Fund (UK) 4 day course Adelaide, November 1993.

COURSES ATTENDED:

- 6 Information Technology in Health Course, 3 day course, Sydney, NSW March 1994.
- 7 International Course in Lung Cancer Management, conducted by the European School of Oncology with the Medical Oncology Group of Australia, 3 day course, Sydney, September 1994.
- 8 The use of item response theory to assess severity of asthma 2 day course, Adelaide, South Australia, May 1994 I organised this course conducted for 12 participants by Dr Malcolm Rosier, from the Adolescent Health Unit, Royal Children's Hospital, Melbourne, Victoria.
- 9 Thoracic Society of Australia & New Zealand Advanced Course Sleep Disorders, Adelaide, 1995.
- 10 Thoracic Society of Australia & New Zealand Advanced Course Pulmonary Infections, Melbourne, 1997.
- 11 Sixth International Conference on home mechanical ventilation Lyons, France, March 1997.
- 12 Thoracic Society of Australia and New Zealand Advanced course: analytical skills for the new millennium, using asthma and lung cancer as models Coolumb, Queensland, September 5-11, 1999 Conference Leader.
- 13 Learning to Teach Evidence-based Medicine Centre for Evidence-based Medicine Oxford, UK July 11 to 15 1999.
- 14 Logistic Regression and Survival Analysis In Epidemiology Menzies Centre for Population Research, Hobart, Tasmania 16 to 21 July 2001-08-29 Course Convenors: Hosmer D and Lemeshow S.
- 15 Evidence-based Clinical Practice Workshop Flinders University, Adelaide 6-7 May 2001 Convenor: Prof Paddy Philips.
- 16 Moonshots on Health Institute of Public Health Research, Monash University, Victoria 21 May 2001 Convenors: Prof Enrico Coiera and Prof Chris Silagy.
- 17 The evaluation of diagnostic tests. 3 Day course, University of Sydney, July 2002. Convenor Prof Les Irwig.
- 18 Item Response theory. 2 day course, February 2004, Monash University. Convenor, Assoc Professor Rachelle Buchbinder.

RESEARCH STUDENT SUPERVISION:

- 1994** Joint supervisor of a student (Mr Adrian Heard) for the Masters of Public Health degree from the Department of Community Medicine at the University of Adelaide
Thesis title: Rehospitalisation for asthma: the role of socioeconomic status and asthma severity.
- 1993** Joint supervisor of a student (Ms Michelle Sargent) for the degree of Bachelor of Applied Science Psychophysiology (Honours) at Swinburne University, Victoria
Thesis title: Towards a modified sleepiness scale: the use of item-response theory to measure severity of daytime sleepiness using the Epworth Sleepiness Scale and the Stanford Sleepiness Scale.
- 1998 - 2001** Dr Renee Manser, student for the Master of Clinical Epidemiology Degree, Monash University
Thesis title: Diagnosis of sleep-disordered breathing by Victorian sleep centres.
- 1998 - 2002** Joint supervisor of Mr David Berlowitz for the degree of PhD, University of Melbourne, Thesis title: The evolution of sleep disordered breathing in spinal cord injured subjects.
- 1998 - 2001** Joint supervisor of Dr Mark Howard for the degree of PhD, University of Melbourne
Thesis title: Sleep disordered breathing in truck drivers.
- 2002-2005** Joint Supervisor of Dr Renee Manser, PhD Student, University of Melbourne.
Thesis title Lung Cancer Screening; a health economic analysis.
- 2002-2005** Joint Supervisor of Dr Paul Wraight, PhD Student, University of Melbourne. Thesis title: implementation of a guideline for management of acute foot problems in persons with diabetes admitted to hospital.
- 2004-2009** Joint supervisor of Ms Shan Bergin, PhD student, Monash University. Thesis entitled: Podiatry services for diabetic foot disease: Service mapping and needs analysis.

TEACHING COMMITMENTS:

CLINICAL TEACHING

Lectures

Undergraduate Curriculum , Monash University

- 2004** Co-convenor, Theme 2: Population, Society, Health and Illness. This constitutes 15% of the medical undergraduate curriculum for Monash University. It includes Information Literacy & Knowledge Management, Principles of evidence-based practice, population health, Evidence into policy and practice, and International Public Health.
Course development:
Year 3 Evidence Based Clinical Practice (10 tutorial course)
Year 2 Lectures (8) Knowledge Management: Evidence into Practice, Systematic Reviews
Year 1 Lectures (2) in Health Knowledge and Society
- 2005** Year 2 Lectures(8) Knowledge Management.
Course Development: Year 4 Evidence Based Clinical Practice: Evidence into Policy and Practice. (18 week online distance education course).
- 2006** Year 2 Lectures(8) Knowledge Management.
Course Development: Year 5 International Public Health Module: Sexual health in sub-Saharan Africa: this module is delivered as an online course. I have been approached to allow it to be used in the curriculum in the Botswana College of Health Sciences (Prof John Hamilton, personal communication).
- 2006-present** Year 2 Lectures (12) Knowledge Management.
Year 3 Lectures to third year medical students in clinical medicine, Tutorials to 5th year students in Geriatric Medicine

Undergraduate Curriculum, Faculty of Medicine, Dentistry and Health Sciences, University of Melbourne

- 1999** 1st year medical students Health and Society:
Measuring Outcomes in Clinical Medicine
An introduction to Critical Appraisal I and II
Incorporating evidence into the decision-making process
- 2001** 2nd year: tutor ICM3 (510-211), and author of teaching module
4th year: Clinical teaching on Medical Unit 2
6th year: Clinical teaching on Medical Unit 2
Final Year Examiner
- 2000 – 2001** 4th Year: Evidence-based Medicine
- 2002** Semester 8 Evidence-based Medicine Half-day Back to Base Day Seminars

Masters, Public Health

- 1999** Randomised Controlled Trials
- 1999 – 2001** Intervention Studies Deakin University at Malvern

Graduate Diploma in Epidemiology and Biostatistics

- 2000** Asking an answerable question and searching Medline: essential skills in EBM
- 2000** Lecture to Emergency Department trainees, Royal Melbourne Hospital; Clinical Practice Guidelines for asthma and COPD

TEACHING COMMITMENTS:

- 1999** Epidemiology in Medicine: an introduction for clinicians.
Campbell DA, Dr H Kelly and Dr G Byrnes Six session course for Advanced trainees (RACP), University of Melbourne.
- 2000 – 2001** Tutorials for 4th Year Medical Students Advanced Medical Studies Unit
Asking the answerable question and searching Medline
(8 tutorials during 2000 and 12 tutorials in 2001)
- 2003-present** Annual series of lectures in evidence-based medicine and clinical epidemiology to physician basic trainees, Royal Australasian College of Physicians.
Organiser of the Professorial Grand Rounds Program at Monash Health for basic physician trainees (40 meetings per year)

Conduct Evidence-based medicine journal club for advanced trainees (20 journal clubs per year)
