

RADIO SCRIPTS – HAZELWOOD MINE FIRE – REVISED 11 APRIL

1. UPDATE AND CLEAN-UP

Even though the Hazelwood mine fire is now safe, Morwell residents will continue to see some smoke in the area as work continues on extinguishing small hot spots in the mine floor.

The Victorian Government and the Latrobe City Council are working with community members in the clean-up process.

Morwell residents can collect clean-up equipment and vouchers from the community information and recovery centre at **20 Hazelwood Road, Morwell**, open daily during business hours.

The EPA is monitoring air quality in the Latrobe Valley. Hourly air quality updates are available online at **epa.vic.gov.au** [pronunciation: EPA dot VIC dot GOV dot AU].

For more information on the recovery process, call the Latrobe City Council recovery hotline on: **1800 017 777**.
