Hi All

I've had a quick look at the BDM data policies. They all seem to relate to the privacy of personal data --

<http://www.bdm.vic.gov.au/utility/about+us/legislation+and+policies/access+policy/>

We received only very high level metadata, and i believe it is fully accessible and share-able to the public under s.3 of the BDM Registration Act 1996:

http://www.austlii.edu.au/au/legis/vic/consol_act/bdamra1996383/s3.html

There is no legal caveats in the emails that Dawn Sims sent me, nor do I recall her saying anything such as "only for you, don't forward to others"

I hope this addresses your concerns Adrian.

;-)

Michael
