Hazelwood Mine Fire Inquiry
[REDACTED]

Dear Ms Stansen,

**Hazelwood Mine Fire Inquiry II
(Dr Rosemary Lester)**

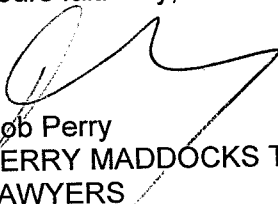

We refer to our letter of 6 October 2015.

In addition to our client being away until 21 November 2015, Prof McNeil is also away until 21 October 2015.

We remain of the view that Term of Reference 6 should not be re-opened. If, contrary to that view, the Board decides to re-open Term of Reference 6, we suggest that any hearing should be postponed until Prof McNeil returns to Australia. We propose to ask Prof McNeil to comment on Assoc Prof Barnett's most recent analyses and would seek to include him as part of the panel of experts in any re-opening of this term of reference.

Could you please respond as a matter of urgency to this letter and to our letter of 6 October 2015.

Yours faithfully,

Rob Perry
