Dear Steve,

Thank you, and your team, for meeting with us yesterday to discuss the preliminary rehabilitation liability estimates. Attached is the draft URS Loy Yang report.

Also attached is the URS data request template. URS have agreed to provide the specific figures used in their analysis for each of the data request fields for further information. This will be provided early next week.

As discussed, I would be grateful if you can complete the templates as soon as possible and no later than 6 November 2015. Please send them to Anna Battese (Anna.E.Battese@ecodev.vic.gov.au) and Duncan Pendrigh (Duncan.Pendrigh@ecodev.vic.gov.au).

If you have any questions or problems with the template, please email Bryan Chadwick at: bryan.chadwick@aecom.com.

Any questions about the review of rehabilitation liabilities should be directed to Duncan Pendrigh on (03) 9092 1983 or email: Duncan.Pendrigh@ecodev.vic.gov.au.

The next steps in the project are:

	Step	Date
1	Loy Yang mine provide further information to inform the liability estimates.	6 November 2015
2	URS refines the rehabilitation liability estimates.	6 November – 13 November 2015
3	ERR meets with Loy Yang mine to discuss the refined liability estimate.	mid November 2015
