

MINERAL RESOURCES DEVELOPMENT ACT 1990

SCHEDULE 19 (PRESCRIBED LICENCE DOCUMENT)

MINING LICENCE 5304

I, the Minister, grant to Yallourn Energy Pty Ltd of Eastern Road, Yallourn, Victoria 3825 this mining licence. This licence is granted under section 25 of the Act for a term of Twenty years from the date of registration as endorsed hereon. This licence is subject to the following Conditions 1 to 7 and the Schedule of Conditions:

1. The authority given under this licence applies only within the land indicated on the attached plan and is subject to the depth restrictions, if any, indicated on that plan under Section 15(9) or 16(5) of the Act.
2. The licensee must keep a copy of -
 - (a) this licence; and
 - (b) any approved work plan or approved variation to a work plan; and
 - (c) any registered authority to commence work
 at a location on or near the licensed area so that an Inspector and any other authorised officer can readily inspect them.
3. On receiving a registered Authority To Commence Work, the licensee must notify an Inspector of Mines and if required by that Inspector must arrange an on-site briefing for any people the Inspector may nominate.
4. Not applicable.
5. The licensee must expend on the licensed area, the sum of \$26,800 per annum from the date of issue of an Authority To Commence Work except where the Minister varies the expenditure requirement or suspends the expenditure requirement for a specified period.
6. On discovering additional economic deposits of minerals, the licensee must report the occurrence to the Minister giving the estimated size, grade, suitability for mining, and an estimate of value at the time of the discovery.
7. Unless otherwise provided for by Schedule 2 to the Act, the licensee must submit a work plan for approval within 6 months after the registration of this licence or any longer period that may be approved by the chief administrator.

SCHEDULE OF CONDITIONS

The licensee must pay rent from the date of registration of the authority to commence work.
