Dear Jamie,

Thank you for your recent letter and email regarding possible inclusion of Victoria Police officers from Morwell as part of the Adult Survey Stream of the Hazelwood Health Study.

Currently, our team are busy working on study protocols and sampling frames. However, we will be in contact with you when we have more information on our approaches to include people who were working in Morwell at the time of the fire.

In the meantime, please direct anyone with questions to our study website [www.hazelwoodhealthstudy.org.au](http://www.hazelwoodhealthstudy.org.au)

Best Wishes,

Prof Michael Abramson, Principal Investigator

Prof Judi Walker, Principal Co-Investigator (Gippsland)
